Thank you!

Thank you for taking part in our Pilgrims Charity Golf Day. Whilst you are playing your round of golf, you will be proud to know that you are raising vital funds to help our teams of medical professionals to continue delivering specialist care to people, and their families, across east Kent, who are living with an incurable illness. It is with thanks to individuals like you, that each year, we are able to support 2,500 patients live well in every moment, both in mind and body.

By doing your part for Pilgrims, you'll truly be making a difference to the lives of our patients. Here's how:

- £1,400 could cover the cost of our community care teams at one of our sites for 24 hours.
- £1,250 could pay for a programme of 12 full day sessions of a Live Well Group for 10 people.
- £800 could pay for one patient's care at one of our inpatient units for 24 hours.
- £500 could pay for a 12 week programme of a Time to Create group for 10 people.
- £270 could pay for a programme of six 2 hour one-to-one bereavement counselling sessions for someone struggling to cope with the loss of a loved one.
- £90 could pay for all the medicine used at one of our inpatient units over a 24 hour period.

Thank you so much, and we cannot wait to welcome you to Pilgrims Charity Golf Day on Friday 28 June 2024 at Tenterden Golf Club.
